Dear Ms. Norville:

This is in response to your Freedom of Information Act (FOIA) request for information pertaining to the Saad Site files and potentially responsible parties from Region IV files. An extension of the time required to comply with your request is necessary.

The reason for the extension is:

The need to search for and collect, and appropriately examine a voluminous amount of separate and distinct records involved in your request. (See 40 CFR, 2.112(e)(2)).

An initial determination is expected within 10 working days of this letter.

Should you have any questions, please call me at (404) 347-3454.

Sincerely yours,

Miya A. Smith
